## We are here to help!

GBT Source offers treatment support and resources to those who have been prescribed Oxbryta.

The GBT Source Care Team includes both **Care Coordinators** and a **Nurse Support Team**.

### Care Coordinators will:

- Help you (or your Authorized Caregiver) understand your insurance benefits
- Review financial assistance programs for which you may be eligible

### A Nurse Support Team is available to:

- Answer questions you (or your Authorized Caregiver) may have about Oxbryta
- Provide resources and personalized support to help you start and stay on treatment as prescribed by your healthcare provider\*

\*The Nurse Support Team is there to support product adherence and not replace a patient's treatment plan. They do not provide medical advice or case management services.
